Snarky in the Suburbs Trouble in Texas Sherry Claypool Kuehl

In this book, the second in the Snarky in the Suburbs series, Wynn Butler is ready to kill her mother . . . or at the very least demand she gets a psych evaluation and an MRI. On Wynn's yearly pilgrimage to Trask, Texas, to visit her parents what she hoped would be a relaxing visit (not counting the family reunion which has all the charm of a zombie apocalypse) has turned into a Texas-sized, hot mess!

Her 69-year-old mother Gwynn Crockett Martin has become an entrepreneur and opened up a cupcake bakery that seems to be doing double duty as a halfway house for economically battered Junior League dropouts.

If that's not enough to make Wynn want to turn tail and run home, her mom is hell bent on convincing her to "heed the call of Jesus" and come to the aid of a woman that made Wynn miserable in high school - Sara Beth Bishop. And by aid, Wynn's mother means concoct a plan to exact epic revenge on Sara Beth's lying, cheating, spray tanning, money stealing ex-husband and his new wife, snob-of-the-millennium, Yale Greenly.

Things go from bad to worse when Wynn finds herself embroiled in a scheme that involves breaking and entering, theft, assault, livestock wrangling, killer mold, impersonating a maid, hair spray bomb fabrication and crashing the town's poshest society event of the year - THE Mohair Palace Pageant. If Wynn can survive this visit home without doing time in the ER, jail, or both, it will be a miracle!

Hang on to your hat and saddle up for a retribution rodeo or, as Wynn's mom calls it . . . "justice served up Lone Star style."
