Chris and Elizabeth are two **sexy steps** on break from college. So when Elizabeth gets injured on a training run, Chris, an exercise science major studying to be a trainer, is more than **ready and willing** to help out his **never-been-touched** step.

Little do they know, however, just how pent up their feelings have been for each other all this time. Getting and receiving massages proves just **too sensual** for their long-restrained lust, and they finally explode in **rapt passion**, exploring their limits with wild, reckless abandon.
