The heist of the century is finally here. With his team together, his scheme in place and the score set, Graham, at long last, is ready to pull off the last and greatest crime in the history of the United States. But even if the plan goes off without a single hitch, what can he do when the American Government decides to activate their anti-crime broadcast *during* the job. Will the last day of American crime end with Graham and his team as millionaires, or will they spend the rest of eternity wondering where they went wrong?

The stunning conclusion to the critically acclaimed graphic novel written by Rick Remender (Marvel Comics' *Punisher*) with art by Greg Tocchini.
