## By Fannie Flagg Standing in the Rainbow: A Novel (1st)

Fannie is back in town along with Neighbor Dorothy, the lady whose daily radio broadcasts keep us informed on all the local news. The time is 1946 until the present in the town of Elmwood Springs, Missouri. They are right in the midst of a mostly joyous transition from nation at war to peace. Once again we get to meet all our favorite town characters and the daily contest between laughter and tears. Fannie truly writes from the heartland and her unique type of storytelling is, to quote Time Magazine, utterly irresistible. She keeps it simple, bright and most of all- she keeps it beloved.
