Chasing Death M. Caron

The year is 1913, eve of the First World War. By day, Lord Jonathan Pritchard is an aristocratic bachelor with marriage ambitions and a six-year-old niece to care for, but at night, he's the prowling guardian of mankind and keeper of his arch rival and sometime-associate, Mr. Reaper. Reaper is the Bringer of Death, a handsome trickster who routinely kills indiscriminately. Pritchard's grueling mission is singular: maintain the balance of life and death by keeping Reaper in check.

The lethal game of cat and mouse is brought to a screeching halt when Pritchard's beloved fiancé is murdered. Could Reaper be responsible, or was it the Hydra, an ancient and fanatical cult that has risen from Europe's underbelly? Sworn to cleanse the earth of all human life and to start it anew, the Hydra is bent on repopulating the world with their own people. They abduct little Candice, Pritchard's young niece, and issue him an ultimatum: kill Reaper or lose the child to unspeakable horrors. To make matters worse, the Hydra have discovered their own shadow tunnels, like Reaper's, enabling them to elude Pritchard, and even Reaper, at every turn.

Desperate to find his niece and to stop the Hydra's plot, Prichard is forced to enlist Reaper's help and the help of one other: Bridgette, a beautiful prostitute with a secret past. The unlikely trio is swept up in a whirlwind of jaw-breaking fistfights, deadly shootouts and romantic firestorms when they set off on a mission across war-torn Europe to find Pritchard's child and to stop the Hydra from spreading a deadly plague across the entire world.
