Events happen in life that can awaken our truest and deepest desires. They also show us our greatest fears. Sometimes, we are forced to face those fears; other times, we build unbreakable walls to protect ourselves. The danger, the wild, the chaos, and the lifestyle of the Hellions' world has become too much for Savannah "Sass" Perchton. Swearing off bikers and attempting a "normal" life, she has settled, committed to Nick, her country club, pretty boy. Things aren't always what they seem. Wrap an empty box in pretty paper and a bow, and it may look amazing, but it's still a hollow shell. He's a Hellions' playboy. He has a different chick in his bed every time; he's constantly off on a ride; and he's always ready for something new. He's Frank 'Tank' Oleander, Hellions' Road Chief. The fast pace of his life catches up to him. At a crossroads, he is forced to face some life changing thoughts or succumb to the darkness of death. Teetering on the brink of giving in, her voice is all he holds on to. These two once shared a profound connection, but what was previously a strong friendship is now shattered, and fate has stepped in and shaken both their worlds. Can he pull through? Can she ever see beyond the cut, into the heart of the man? Will they find their forever ride?
