It behooves the African anthropologist to use every scientific discipline that modern technology has to offer, in the tradition of Chiekh Anta Diop, to acquire the correct perspective on African high culture and civilization. Now is the time for Africans to wrestle Egyptology from the clutches of the distorters of our civilization, by a more forceful and public attack on their lies. We must expose to the light of truth, every falsification and every claim of a European or Asian origin of Kemit and re-establish the link with our ancestors for the sake of our children.
