**Todos los casos del agente de la Continental (SERIE NEGRA) (Spanish Edition)** Dashiell Hammett

Nadie conoce su nombre, pero todo el mundo le respeta. Los sabuesos del crimen organizado solo saben que es uno de los tipos más duros de San Francisco, y eso es suficiente para andarse con cuidado cuando deben enfrentarse a él. Para cada nuevo caso, mezcla ingenio y rudeza a partes iguales, no duda ante nadie ni se amedrenta cuando la situación parece exceder los límites de lo permisible. Ante todo, y pese a todo, es un profesional. El agente de la Continental, que es como se le conoce, quizá sea el peor de los matones que merodean la ciudad, o quizá sea el detective más implacable, astuto y resolutivo que el mundo jamás haya conocido. En cualquier caso, se trata de uno de los iconos de la literatura policíaca.

Creado por Dashiell Hammett en 1929, este atípico personaje protagonizó sus obras más conocidas. En este volumen se recogen sus mayores logros literarios: Cosecha roja, La maldición de los Dain y El agente de la Continental, nuevamente traducidos para una antología que saciará a los más fervientes seguidores del género negro y criminal.
