A Dictionary of Celtic Mythology (Oxford Quick Reference) James MacKillop

A comprehensive and accessible survey of one of the world's richest mythological traditions. It covers the people, themes, concepts, places, and creatures of Celtic mythology, saga, legend, and folklore from both ancient and modern traditions, in 4,000 entries ranging from brief definitions to short essays. An introductory essay explores the origins and identity of Celts, the history of the Celtic revival, and the meaning and role of mythology. An excellent source for those curious about the mystical myths of the Celts.
