## **Flawed but Faithful: Finding Meaning in our Faults** Pastor Joey Bauer

Apostle Paul, King David, and Gideon are all some of the Bible's greatest figures, and they all had one thing in common....

...they were all flawed! That's right, these great men of God were all flawed. In fact, they all had several flaws. Why is this important? It's important because everyone- including yourself- shares this trait with these great figures. By examining their characters and how they were able to overcome their flaws in the light of God's glory, we can learn to better ourselves through our own flaws and begin building our faith stronger than ever!

In “Flawed but Faithful- Finding Meaning in our Faults”, we examine how nobody is perfect and how this common trait can be used to spur personal growth. In this inspirational book, you will see how the Apostle Paul needed time to turn to God, how King David overcame his great sins to become a man of God, and how Gideon learned to trust his faith when he originally needed proof of God's amazing love. Many of us struggle with sins and our faith from time-to-time, and we are not alone. This important look at the Bible reminds us of that and encourages us to do better.

God knows you aren't perfect, just as he knew these Bible figures were not perfect. He was patient with them and loved them regardless, and He will welcome you in the same way. Learn to embrace imperfection, trust your faith, undergo tremendous personal growth, and become a stronger Christian in this inspirational book. An in-depth look at some of the Bible's greatest stories about imperfection and how it relates to our modern lives complements the author's intelligent commentary to show you the path to a stronger faith.

#### **Courtney Cook:**

As we know that book is essential thing to add our knowledge for everything. By a book we can know everything we want. A book is a pair of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added. This reserve *Flawed but Faithful: Finding Meaning in our Faults* was filled about science. Spend your time to add your knowledge about your science competence. Some people has diverse feel when they reading a new book. If you know how big selling point of a book, you can experience enjoy to read a publication. In the modern era like today, many ways to get book that you wanted.

#### **Phyllis Belser:**

As a university student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this *Flawed but Faithful: Finding Meaning in our Faults* can make you truly feel more interested to read.
