Guarding His Heart is a STANDALONE book with no cliffhanger

Leonardo Maxwell was shocked when his best friend, Zane Beaumont fell in love and got married. While he is happy for his friend, he knows that he definitely doesn't want to go the love and marriage route. He knows that there is nothing that can come from either of the two.

When his father calls him and tells him that it's time for him to take over the family business, he does so reluctantly. He's never liked the attention he gets as a billionaire's son, but he knows it's his duty.

Leo is not prepared for the animosity that he gets from his new assistant, Hannah on his first day of work. He has no idea why she hates him, but he's glad for it. He doesn't have time to waste staring at her beautiful long legs or her pink luscious lips. As far as he's concerned they can have a strictly professional relationship. However, that all changes when they go on their first work trip together.

Guarding His Heart is recommended for readers age 18 and over, due to mature situations and language.
