Wendy Morrell had the voice of an angel. Under normal circumstances, she was an average, quiet, and reserved administrator, but on the weekends, she became a star. She performed with a small ensemble at a local jazz club called “Dorsey’s.” Her demeanor was soothing and calming; her voice would silence an audience with the utterance of her first note. Sadly, she had fallen for one of The Committee’s most wanted vampires.

Wendy was average height and a voluptuous woman who had always been conscious of her weight and yet, it was her weight and her voice that drew men to her. She was shy in private and the number of men who wanted a relationship with this quiet, unassuming shifter was staggering. She had turned them all down in her adulthood, but when she met a vamp accused of a crime that he insisted he didn’t commit, her life began to make sense, her heart changed and her personality lit up like a supernova.

Benito was torn. He had fallen in love with someone outside of his species and he was wanted and to be killed on sight. The fear and excitement about a potential relationship were two conflicting emotions, but he had to allow his life to play out as it had been ordained.

He would try to prove his innocence and embrace his new love.

”Sensual Shifters” is full of sexy surprises... a paranormal taboo BBW shapeshifter romance that will have all your sense tingling!
