White Hotel

Thomas

White Hotel Thomas

It is a dream of electrifying eroticism and inexplicable violence, recounted by a young woman to her analyst, Sigmund Freud. It is a horrifying yet restrained narrative of the Holocaust. It is a searing vision of the wounds of the twentieth century, and an attempt to heal them. Interweaving poetry and case history, fantasy and historical truth-telling, *The White Hotel* is a modern classic of enduring emotional power that attempts nothing less than to reconcile the notion of individual destiny with that of historical fate.
