Celebrating Life: Finding Happiness in Unexpected Places (Continuum Compact Series) Jonathan Sacks

I have tried to say what happiness is, how we make it, how we lose it, and how we sometimes walk past it without recognising it. Happiness isn't somewhere else, it's where we are. It isn't something we don't have, we do. It isn't fantasy, it's reality experienced in a certain way. Happiness is a close relative of faith. Following the painful loss of his father, Chief Rabbi Sacks began to learn how to celebrate life in a new way. He discovered where happiness lives, often in unexpected places, through family, community, friendship and responsibilities. He also found it through a renewed relationship with God who spoke to his deepest needs. Based, in part, on his columns in the UK's Times newspaper, Celebrating Life is for people of all faiths and none. It shows us how to be human and, in becoming so, how we can touch the divine.
