Lauren has always thrived on order, organization, and planning. Two years after an accident upended her world and all her best-laid plans, she's still struggling to find her footing. She arrives at the Sullivan Ranch for a weekend wedding celebration in the wake of yet another panic attack, but she's determined to conceal her troubles, enjoy the time with her lifelong girlfriends, and hopefully dispel their worries about her. She's shocked to discover that more trouble awaits in the form of her handsome cabinmate - the man who broke her heart a decade ago.

Lauren and Cole shared a close connection as teens, but days before leaving for college, passions flared and ties were abruptly severed. Now housed under the same roof and prey to their friends' matchmaking endeavors, Lauren and Cole embark on a journey of reconciliation and rediscovery.

In one whirlwind weekend, kinship and chemistry reignite, but when misunderstanding breeds mayhem, friendships and faith are put to the test. With everything escalating out of Lauren's control, is it heartbreak or hope that's about to come full circle?
