### **Are we living in a spellbound world?**

When we think of spells, the picture conjured up in our minds often has more to do with fables we learned as children. An ugly old woman in a pointed hat reciting incantations at a boiling cauldron. The reality, however, is much more dangerous. Once given access to our lives, Satan can manipulate, dominate, and intimidate even the strongest Christian.

*Hell's Spells* draws from Paul's writings to the Galatian church to bring you a fresh awareness of Satan's spells and strategies, demonstrating how you can break free from the influence of such evils as:

- Controlling spirits
- Generational curses
- Witchcraft in the home

Cutting through the sensationalism and spookiness of spiritual warfare, Raley enables you to identify, understand, and break every bewitching spell the devil wants to launch against your life, your family, and your purpose.
