**Wayne is a widowed rancher who placed an ad in the paper for a mail-order-bride, and fell in love with her unexpectedly.**

He is a good family man. Although he prays for the inner strength to fulfil his household duties, he realizes he's not the best at raising his three children while also running a ranch alone. To make matters worse, his "in-laws" show concern for his parenting style. Wayne finally becomes fed up when they begin insisting on adopting the children and moving them clear across Wyoming!...

It's due time to set things straight and defend his God given right to keep his children. A nanny and housekeeper disguised as a bride might be just the answer...simple as that...or so he thought.

He isn't expecting beautiful, 20-year-old Chelsea and he battles his emotions as he finds himself attracted, and begins to questions his motives. Can a new romance really blossom after such a tragedy in his life?
