- The harm of social networking on the very relationships it's trying to build;
- The tragically ill effects of being a 'giver' in relationships;
- Sure signs that a woman *is about to cheat* or is already doing so;
- **The reasons a great many women are forever in a state of almost-cheating;**
- An affair is never about 'just sex'...never!
- **Cheating is always, always, always a spirit issue;**
- Is cheating in relationships actually a good thing? And finally,
- Solutions for creating truly happy relationships, as well as stories of success from couples who have done exactly that!
- And more....including **one angry husband** who kicked Sven's ass in a most unusual way!

Book Two will blow you away even more and in different ways than Book One did. *Period!*
