Joachim Prinz, *Rebellious Rabbi: An Autobiography--the German and Early American Years*

Joachim Prinz, *Rebellious Rabbi: An Autobiography--the German and Early American Years*

Joachim Prinz (1902–1988) was one of the most extraordinary and innovative figures in modern Jewish history. Never one for conformity, Prinz developed and modeled a new rabbinical role that set him apart from his colleagues in Weimar Germany. Provocative, strikingly informal and determinedly anti-establishment, he repeatedly stirred up controversy. During the Hitler years, Prinz strove to preserve the self-respect and dignity of a Jewish community that was vilified on a daily basis by Nazi propaganda. After immigrating to the United States in 1937, he soon became a prominent rabbi in New Jersey, drawing thousands to his unpredictable sermons. Prinz's autobiography, superbly introduced and annotated by Michael A. Meyer, offers a fascinating glimpse into the life and personality of this unconventional and influential rabbi.
