Rae Falling (Billionaires in Disguise: Rae, Episode 1, A Romance) Blair Babylon

One wild quickie with a sexy stranger will change Rae's life forever.

Rae Stone is majoring in psychology so that she can open a clinic for autistic kids, but when her scholarship is yanked because she failed an impossible statistics course, she thinks she's out of luck and doomed to return to her poverty-stricken hometown.

Because she has three weeks of college freedom left, she goes to an upscale party and has a wild quickie with a stranger, who turns out to be the sexy owner of the Devilhouse, a BDSM club, but will the secretive Wulf turn out to be her Prince Charming or the Devil who tempts her to ruin?

EXCERPT:

The Blond Hottie's hand dropped down to the small of Rae's back and pressed, tilting her toward him. She let him.

She let him. She was just letting things happen again. Just like falling into her major and flunking out of school, she was drifting instead of making decisions.

Being seduced was letting things happen to her, not doing things.

The Blond Hottie nodded toward the couple, who were leaning on the wall, spent. He whispered, "Would you ever do something like that?"

Rae was going back to dust-choked Pirtleville in three and half weeks.

Three and half stupid weeks.

Screwing The Blond Hottie against a wall would be doing something.

"Yeah," she said, "but not out here." She had seen couples slip through a door and then emerge later, disheveled, but hadn't really made the connection. "Back there."

The Blond Hottie smiled again, and this time, the toothiness verged on wolfiness. "You want to be against a wall?"

"No." Rae tossed her head and looked straight into his deep blue, hungry eyes. "You're going to be the one against the wall."
