The Perfect C.V.: How to Get the Job You Really Want Tom Jackson, Ellen Jackson

This updated edition provides strategies for dealing with the shift away from "good, steady jobs for life" to an era of temporary, freelance and consultancy positions, where employers are more interested in a candidate's skills than in his or her experience. It shows how to prepare a capabilities portfolio, which focuses on talents rather than the number of jobs; discover and define career goals; pinpoint the most suitable jobs, and how to use the Internet and electronic job searches.
