When they met online they were equals...Then she walks into his classroom.

For four months Eva March shared almost every secret with a handsome stranger. It was easy when she didn't have to meet his gaze in real life. The online flirtation was fun. She could be a strong, put-together woman without a sordid past. Most importantly, he'd never know the truth.

Grady Addison takes his job as a professor seriously. He doesn't sleep with co-eds, much less his students. Eva doesn't even fit his leggy, peppy blonde requirements, but he can't walk away now. He's spent too much time fantasizing about her, her smile and the way her eyes darken when she thinks of her past. And her past is a problem. The secrets she hasn't yet told him could end his career and for Eva, her life could just come crashing down...again.
