## **Victory Principles: Leadership Lessons from D-Day** Leonard Kloeber

VICTORY Principles is written in the three part format of a Staff Ride, the same technique used to train army officers. A Staff Ride focuses the study of history on leadership ""lessons learned"" that can be applied in the future. Part one of this book is the fascinating story of D-Day itself. Part two describes seven universal leadership lessons, the VICTORY Principles. Part three is a guide to the battlefield sites on the northern coast of France. In VICTORY Principles, Colonel Kloeber uses his extensive experience from a thirty year career in the military and as a corporate executive to relate the lessons learned from military history to contemporary business and personal leadership.
