Quite possibly the easiest-to-understand learning program you'll find, Klooster and Allen's INTEGRATED ACCOUNTING FOR WINDOWS teaches you all of the aspects of computerized accounting and the operating procedures for all Windows-based programs at the same time. The text's accompanying software mimics the commercial software packages used in business, which will help you hit the ground running when you enter the workplace. As you move through the software, more bulleted directions are available to walk you through each step. All problems feature the extremely popular Student Checker, which provides immediate feedback as you work through the problems.
