## Toolbox from Heaven: Living by Faith in the Midst of Crisis Holly Sly

When Holly Sly's daughter, Alexandra, suddenly falls ill at school one day, she thinks it's probably just a mild stomach bug. But when her illness starts to exhibit symptoms of hearing loss and dizziness, she knows something is very wrong. After taking her to the hospital, Holly learns her daughter has a combination of encephalitis and meningitis, which has resulted in profound hearing loss in both her ears. As Holly and her husband, Larry, struggle to determine what this new revelation will mean for their family, including treatment options, schooling alternatives, and new day-to-day interactions with their daughter, they learn to find a new normal for their family.

If you're facing hard times and being tested to your limits, read Holly's inspirational book, *Toolbox from Heaven: Living by Faith in the Midst of Crisis*, to witness God's hand at work.

"When the going gets rough, really rough, most of us need a mentor for handholding and sharing thoughts. Holly Sly has traveled that tortuous path and provides readers a book absolutely packed with attitudes, skills, tools, and responses that are helpful for the traveler."

Foster Cline, MD

Author, co-founder of The Love and Logic Institute.

In her book, *Toolbox from Heaven: Living by Faith in the Midst of Crisis*, Holly Sly recounts the horrifying experience of watching helplessly one Christmas as her little girl came to the brink of death.
