Vedmak: The Dark Triad (Pictures of a Floating World) (Volume 1) Billy Bright

Matthew Ethan Williams is an American-born "Vedmak," a proto-Slavic term for Witcher; a modern-day hunter of witches. An incredibly powerful empath, cursed with the ability to glimpse beneath the veils of time and space from birth, the increasingly-hardened and battle-scarred twenty-six year old destroyer of supernatural horrors now operates in the New World as an independent hexer for hire, headquartered in Southern California; tracking and discorporating all manner of vicious creatures and practitioners of black magic whilst putting his life on the line to save even the smallest of lights before they are blown from existence. Quite often for a laughable fee. A xenophile and instinctual lover of natural beauty, the somewhat introverted Williams lives for the chance to track and destroy the most dangerous and predatory entities imaginable across the most picturesque of vistas and darkest of alleyways the mortal world has to offer. But the secretly unchaste, dark-eyed and dashing handsome young Witcher may be harbinger of a more brutal and uncompromising truth than his sheer inability to escape the wandering undead of our doomed reality. A lustful, intense hunger more insidious and deviant than most will ever understand lurks deep within him, waiting to escape its confines of old-fashioned discretion. When we last left our reluctant American Vedmak, his mysterious and beautiful new Moldavian assistant had secured for him his first real job across the Pacific Ocean, in Osaka, Japan. As Matt's flight fast approaches, he meets an attractive, intoxicatingly-sensuous and amazingly-talented young SDSU student. And his life begins to unravel in ways he never imagined.
