Go back in time and add charm to the holidays with these four unique decorative crafting styles: Victorian Vintage, Shabby Chic, Country, and Personal Vintage. For each, you'll find directions for projects, ideas for decorating, and enticing pictures to inspire and evoke nostalgia. Craft cardboard villages just like Grandma used to. Make new ornaments look antique and aged, as if they were passed down through the generations. From a gathering of lighted tapes glowing on the floor, to red ribbons tied around the banister, to wreaths, Santa Claus figurines, and food heaped everywhere, each design is glorious.
