Amores que matan: Un libro que salva vidas. Una historia real que no podrás dejar de leer. (Spanish Edition) Ana Bueno

Un testimonio sincero, generoso, escalofriante... La experiencia vivida por Ana Maria, que un día creyó vivir un amor perfecto y tiempo después descubrió que había caído en brazos de un maltratador, de un psicópata que se lo quería arrebatar todo: la personalidad, el dinero y hasta la vida.

Una aventura personal compartida con la intención de ayudar no solo a desenmascarar al maltratador sino también a cicatrizar las heridas que deja.

Una radiografía de la personalidad del psicópata, de cómo actúa y de cómo, a través de una manipulación sumamente inteligente y las mentiras, atrapa a sus víctimas. Pero también una lucha para dejar de ser una víctima, para superar ese daño psicológico y conseguir la verdadera autoestima.

Seguro que después de leer esta historia, reconocerás a más de una persona en ella...

La primera edición de "Amores que matan " fue publicada bajo el pseudónimo de Isabela Simón.

From reader reviews:

Sonja Johnson:

Book is definitely written, printed, or illustrated for everything. You can understand everything you want by a e-book. Book has a different type. As you may know that book is important point to bring us around the world. Alongside that you can your reading ability was fluently. A publication Amores que matan: Un libro que salva vidas. Una historia real que no podrás dejar de leer. (Spanish Edition) will make you to always be smarter. You can feel a lot more confidence if you can know about every thing. But some of you think in which open or reading some sort of book make you bored. It is not make you fun. Why they could be thought like that? Have you searching for best book or acceptable book with you?

Sylvia Johnson:

In this 21st one hundred year, people become competitive in each and every way. By being competitive right now, people have do something to make these people survives, being in the middle of often the crowded place and notice by simply surrounding. One thing that at times many people have underestimated that for a while is reading. That's why, by reading a guide your ability to survive boost then having chance to stand than other is high. For you personally who want to start reading some sort of book, we give you this particular Amores que matan: Un libro que salva vidas. Una historia real que no podrás dejar de leer. (Spanish Edition) book as beginning and daily reading publication. Why, because this book is greater than just a book.

Dione Wicker:

Nowadays reading books be than want or need but also get a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book that improve your knowledge and information. The data you get based on what kind of book you read, if you want attract knowledge just go with knowledge books but if you want truly feel happy read one along with theme for entertaining like comic or novel. Often the Amores que matan: Un libro que salva vidas. Una historia real que no podrás dejar de leer. (Spanish Edition) is kind of publication which is giving the reader capricious experience.

Esther Cunningham:

Reading a publication tends to be new life style in this particular era globalization. With reading you can get a lot of information that may give you benefit in your life. Together with book everyone in this world may share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their very own reader with their story as well as their experience. Not only situation that share in the publications. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on earth always try to improve their skill in writing, they also doing some research before they write for their book. One of them is
