**Conversations with God Book 2: Living in the World with Honesty, Courage, and Love** Neale Donald Walsh

Neale Donald Walsch isn't claiming to be the Messiah of a new religion, just a frustrated man who sat down one day with pen in hand and some tough questions in his heart. As he wrote his questions to God, he realized that God was answering them--directly--as he wrote. The result was an international bestseller that is full of matter-of-fact, direct wisdom on how to get by in life while remaining true to yourself and your spirituality.

In this expanded paperback edition, Neale Donald Walsch and God resume their discussion and move on to larger topics than the personal issues addressed in *Conversations with God Book 1*. They discuss time, space, politics, and even kinky sex. This is an honest look at some of the broad issues important to all of us, and an idea about how things might change if we are willing to open our minds and have our own conversations with divinity.

This edition includes the 2008 new preface from Walsch and new commentary on each section.
