SNAFU brought the pain.

SNAFU: Wolves at the Door will bring the bite, with soldiers fighting for their lives against were-animals.

* * * * *

In the blackest night or under the full moon, danger is lurking.

It's survival at all costs when you're fighting against an enemy that could tear you apart – or convert you to the other side.

Against the backdrop of an untamed wilderness or the dark depths of the city, the ultimate clash between the forces of man and nature rages on.

Whether battling the monster within or a war around them – these soldiers may find the cost could prove too great.
