Water Street Crystal Wilkinson

On *Water Street*, every person has at least two stories to tell. One story that the light of day shines on and the other that lives only in the pitch black of night, the kind of story that a person carries beneath their breastbones for safekeeping. *Water Street* examines the secret lives of neighbors and friends who live on Water Street in a small town in Kentucky. Assured and intimate, Wilkinson weaves us in and out of the lives of *Water Street*'s inhabitants, dealing with love, loss, truth and tragedy, as the narration switches from person to person and their remarkable, varied and authentic voices are revealed under Wilkinson's sure hand. This is a superb, cohesive work which marks Ms. Wilkinson's evolution as a gifted observer and writer.
