The Way of the Odin Brotherhood Jack Wolf

'Would you know more?' It began with a simple question, sent from an unknown e-mail address, and it kindled the fires of a quest that would take him on a journey of discovery spanning several years; a journey that would lead him closer to the enigmatic secret society known as the Odin Brotherhood. Continuing a quest for understanding which had been started by his mentor years earlier, and following a trail of cryptic clues and mysterious lore, Canadian author Jack Wolf set out on a journey into the workings of this largely undocumented secret society. Accompanied by a mysterious informant known only as Crow, he embarks on a series of adventures that will ultimately draw him closer to penetrating the history, lore and secrets of this elder pagan fraternity - an entity which has existed for nearly six hundred years.
