Wonder Boys: A Novel

Michael Chabon

Wonder Boys: A Novel Michael Chabon

A modern classic, now in a welcome new edition, *Wonder Boys* firmly established Michael Chabon as a force to be reckoned with in American fiction. At once a deft parody of the American fame factory and a piercing portrait of young and old desire, this novel introduces two unforgettable characters: Grady Tripp, a former publishing prodigy now lost in a fog of pot and passion and stalled in the midst of his endless second book, and Grady's student, James Leer, a budding writer obsessed with Hollywood self-destruction and struggling with his own searching heart. All those who love Michael Chabon's *The Yiddish Policemen's Union* and his Pulitzer Prize-winning *The Amazing Adventures of Kavalier and Clay* will find the same elegant imagination, bold humor, and undeniable warmth at work in *Wonder Boys*.

"[A] wise, wildly funny story . . . Chabon is a flat-out wonderful writer— evocative and inventive, pointed and poignant."

—*Chicago Tribune*

"Whether making us laugh or making us feel the breathtaking impermanence of things, Michael Chabon keeps us wide awake and reading."

—*All Things Considered*

"Beguiling and wickedly smart . . . There is first-rate satirical farce in Chabon's novel but essentially it is something rarer: satirical comedy."

—*Los Angeles Times Book Review*
