A KNIGHT'S VOW Aliyah Burke

What happens when a 21st Century woman gets transported back to 12th Century England? She butts heads with her 'rescuer'. That's what. When Kit wakes in the past she has no choice but to go with the knight that stands before. The sword at her throat determines that. With absolutely no idea on how to return home, Kit will be called upon to use every bit of strength and love to stay alive long enough to do so. Even with Marcus' help it might not be possible. Will these two lovers find a way to be together for all time? Can Kit trust that once made, it will never be broken? Perhaps. It is after all, A KNIGHT'S VOW.
