Jewish Family and Life: Traditions, Holidays, and Values for Today's Parents and Children Yosef I. Abramowitz, Susan Silverman

Jewish Family and Life: Traditions, Holidays, and Values for Today's Parents and Children has become the definitive book for parents to turn to for sound advice on important and current parenting issues. It dispenses invaluable information that is relevant to Jewish families today, whether the family has a mixed marriage, two parents, a single parent, or adoptive parents. The book's three parts--Traditions, Holidays and Values--investigate contemporary issues in raising children and show concrete ways in which Judaism can play a practical role in enriching a family's spiritual and moral education. Each chapter includes lively, hands-on activities that you can do with your kids and simultaneously instill vital cultural and religious education. Vetted by a prestigious advisory board that is co-chaired by Nobel Prize-winner Elie Weisel, this book will help unify the family and re-establish rich traditions that have been lost over the generations.
